

The Family "DEA" PIT STOP

Featuring - Neurology and Nephrology in Tuberos Sclerosis Complex

The European Tuberos Sclerosis Complex Association
in collaboration with the Polish Tuberos Sclerosis Association and EPISTOP

Saturday 6 April, 2019

at

**The Novotel Warszawa Centrum
Marszałkowska 94/98, 00-510**

DEA – Dissemination of Expertise and Achievement:

AIM

To create a readily accessible, active and sustainable network within and between EU countries, for clinicians treating individuals with Tuberos Sclerosis Complex.

This network will facilitate the sharing of best practice within a relevant clinical speciality as well as across disciplines when the need arises in this multi-system condition.

The project aims to establish a holistic approach to the treatment of TSC and promote multi-disciplinary working across the EU.

Hosting clinicians:

Prof. Sergiusz Jozwiak, Department of Neurology,
Medical University of Warsaw, Poland

Prof. Katarzyna Kotulska, The Children's Memorial Health Institute and Department of Child Neurology,
Warsaw, Poland

Visiting clinicians:

Prof. Anna Jansen: Paediatric Neurology Unit, Department of Paediatrics, UZ Brussels

Dr. J. Chris Kingswood: St. George's University Hospitals, NHS Foundation Trust, London
